

## Short Profile CGM – CompuGroup Medical SE & Co. KGaA

CompuGroup Medical is one of the leading e-health companies in the world. With a revenue base of EUR 1.19 billion in 2023, its software products are designed to support all medical and organizational activities in doctors' offices, pharmacies, laboratories, hospitals and social welfare institutions. Its information services for all parties involved in the healthcare system and its web-based personal health records contribute towards safer and more efficient healthcare.

The basis of CompuGroup Medical's services is its unique customer base, including doctors, dentists, pharmacists and other healthcare professionals in inpatient and outpatient facilities, as well as insurance and pharmaceutical companies. CompuGroup Medical has offices in 19 countries and offers its solutions in 60 countries worldwide. Around 9,000 highly qualified employees support customers with innovative solutions for the steadily growing demands of the healthcare system.

We create the future of e-health
