

From The Center of Medicare and Medicaid Service's (CMS) Innovation Center

Enhance the quality of primary care through value and efficiency

Quality measures that focus more on outcomes for your patients which will lead to healthier lifestyles

How does it work?

- ▶ Providers contract directly with our ACO REACH Partner- ASAAR MEDICAL- to achieve success
- ▶ Beneficiaries will be attributed to providers based on previous claims and will then make up your core focus for this program

The JVS Model

SHARED SAVINGS OPPORTUNITIES PLUS **ENHANCED FEE FOR SERVICE REIMBURSEMENTS**

By working with the ACO your patients may also be entitled to certain Beneficiary Enhancements

• Benefits to Joining

 **Increased Revenue Opportunities for Providers**

 No more Burdensome MIPS/MACRA Reporting

 Assistance with care coordination and quality measures

 No new credentialing all Medicare providers are eligible

"This program takes care of Physicians so that they can take care of their patients"
