CGM APRIMA EHR and Practice Management

Available separately or bundled together, **CGM APRIMA EHR and Practice Management** is a premium solution that offers a fast, flexible experience backed by our renowned, in-house technical support team.

With strong interoperability, pre-built and highly customizable templates, and adaptive learning, **CGM APRIMA** is easy to use and adapts to your workflows and preferences. Enjoy a streamlined experience that simplifies administrative tasks and frees your practice up to focus on patient care.

Award-winning e-prescribing software

The winner of two Surescripts White Coat Awards™, our e-prescribing software is available as a standalone system or a fully integrated option for **CGM APRIMA**.

The Surescripts White Coat Award is the premier recognition for leaders in e-prescription accuracy and is awarded only to those who meet the highest standards for accuracy and patient safety.

CompuGroup Medical earned the 2022 Surescripts White Coat Award for both Highest Accuracy and Structured & Codified Sig Champion.

“When a system is able to deliver accurate prescriptions that reduce confusion and eliminate time-consuming phone calls and faxes, it saves us time.”

CHIEF MEDICAL OFFICER

RCM bundle

Although this transition with Quest and Quanam presents challenges, it also presents the opportunity to consolidate your efforts with a single, trusted source.

In addition to our leading software systems, CompuGroup Medical offers tailored billing services and credentialing and enrollment services that free your practice up to focus on patient care. You even get your own totally integrated clearinghouse.

*Rescue offer for Quanam/Care360 customers

Even as Quest [sunsets Quanam Practice Solutions](#), CompuGroup Medical is working to deliver the best offer and the simplest transition. Start your migration today to minimize any disruption.

With our rescue plan, you'll enjoy:

- Specialized pricing for a premium EHR. Show us your existing pricing, and we'll match it so you don't have a change in technology costs
- No-cost data migration. We have experience working with Quanam data and will import the information into **CGM APRIMA**
- Opportunity to consolidate EHR, practice management, EDI, and even RCM services to a single vendor

Sign up now to start your migration as soon as possible.
