

THE PERFECT PAIR

CGM MEDEDI
Billing and Practice Management

Practice PERFECT

A perfect package, developed for the unique needs of physical health practitioners to streamline your day-to-day practice admin and billing.

Go paperless. The ultimate solution to boost your patient's physical potential.

CGM MEDEDI and PRACTICE PERFECT bring you a single tool for your physical health practice. Tailored to the unique needs of Physiotherapists, Biokineticists, Occupational Therapists, Orthopedic Surgeons and GPs specialising in sports medicine and physiatry operating in South Africa.

Secure and paperless, CGM MEDEDI and PRACTICE PERFECT combines a centralised practice toolkit with Electronic Health Records for a streamlined paperless practice.

ALL-IN-ONE PRACTICE MANAGEMENT

PRACTICE PERFECT brings together personal and clinical data to paint a complete picture of physical health. Capture their medical and treatment history - from rehabilitation and fitness progress to manual therapies and complimentary treatments – for a truly perfect electronic patient record.

Whether it's taking online bookings, consulting remotely, sending billing to medical aids or writing e-scripts, CGM's Perfect Pair will transform the way you practice.

Contact us on **0861 633 334** to get the benefits of our all-in-one practice workflow.

A centralised practice toolkit plus EHRs to track individual mobility and physical activity levels or performance as well as preventing injury or disability.

PHYSICAL THERAPY

Schedule, attend and invoice physical therapy sessions in a snap!

Action everything from one place - no more juggling multiple 3rd party apps. Update clinical patient records, review x-rays or send blood work to your local labs. Just add body charts and templates and you have everything the modern physical health or sports medicine clinic needs.

PAINT A PICTURE OF HEALTH

Comprehensive and holistic, PRACTICE PERFECT brings together personal and clinical data to paint a complete picture of physical health.

Capture medical and treatment history at the point of care. Track rehabilitation and fitness progress as well as the impact of manual and complementary therapies. Always up-to-date electronic patient records include physical exams, anatomy charts, pathology results, scans and more.

Practice Marketing

Make it easy for new patients to find you! Team up with Avily, our partner in digital marketing, to take your medical practice online with a mobile-friendly website and entice new patients to your practice. The future is digital, after all and who doesn't want to grow their patient base?

AVILY

Online Booking

Get the antidote for no-shows and stop the endless back and forth communication with appointment bookings. Built right into CGM MEDEDI, RecoMed integrates with your practice diary to offer online bookings to your patients at a date and time that suits them.

RecoMed
Powering the future of healthcare bookings

Patient Onboarding

Take advantage of Medme's POPIA ready patient onboarding and put an end to wasted time double capturing details. Going paperless is a win for all: less time needed by your practice team, better record keeping and more space in your practice.

Medme

Video Consults

CLICKDOC ensures that no patient goes without care offering remote access to quality medical healthcare. Manage your virtual diary in the MEDEDI calendar, and share your screen or documents with one click. All video consultations are POPIA ready and HIPAA compliant for data security peace of mind.

CLICKDOC

Electronic Health Records

Designed by a doctor, Practice Perfect was conceived to support your day-to-day practice workflow. More than just a digital version of a patient's paper chart, EHR's digitally capture the why, what and how of clinical care. Works on iPad and Android devices.

Practice PERFECT

Advanced e-Scripts

Create and sign prescriptions on the fly with ICANSRIPT, the most advanced e-scripting platform in South Africa. Digitally sign and send prescriptions to our pharmacy network and have the prescribed medicine delivered straight to your patients' door.

ICANSRIPT

Medical Billing

Cut the time your practice spends on medical billing and claims! With our fully-integrated MEDEDI toolkit, ICD-10 codes can be processed and sent with medical aid claims in real-time. Let MEDEDI take the hassle out of medical aid claims, and free up time for your practice manager to focus on your patients and your business.

CGM MEDEDI

Easy Payments

Simple payments and collections for your practice just make sense cents! Let us improve your cash flow by automating your billing and offering your patients many ways to pay - from SnapScan, QR code, Maestro to credit card and more. MEDEDI gives you the tools to take control of your business and continue to build a thriving medical practice.
