

THE PERFECT PAIR

CGM MEDEDI
Billing and Practice Management

Practice
PERFECT

A perfect package, tailored to healthcare practitioners caring for infants, children and adolescents.

Go paperless. The ultimate solution for those caring for paediatric patients.

CGM MEDEDI and PRACTICE PERFECT bring you a single tool for your child health practice. Tailored to the unique needs of Paediatricians, family Physicians, ENTs and child health specialists operating in South Africa. Comprehensive and holistic, it combines a centralised practice toolkit with paediatric Electronic Health Records for a streamlined paperless practice.

Uncover the whole-child's health story

PRACTICE PERFECT brings together personal and clinical data to paint a complete picture of a child's health. Capture their medical and treatment history - from development milestones and well-child checkups to vaccinations and treatments - for a truly perfect electronic patient record.

Contact us on 0861 633 334 to get the benefits of our all-in-one practice workflow.

A centralised practice toolkit plus EHR's that promotes thriving families and children.

ALL-IN-ONE PRACTICE

Secure and paperless, CGM MEDEDI and PRACTICE PERFECT bring you a single tool for your whole healthcare practice.

Whether it's taking online bookings, consulting remotely, reviewing latest lab results or writing e-scripts, CGM's Perfect Pair will transform the way you practice.

WELL-CHILD CHECKUPS

Schedule, attend and invoice well-child appointments and immunisations in a snap!

No more juggling multiple 3rd party apps. Action everything from one place - update clinical records, review imaging or send blood work, biopsies and tests to your local labs. Just add templates and you have the winning formula for a modern Paediatric clinic.

PAINT A PICTURE OF HEALTH

PRACTICE PERFECT brings together personal and clinical data to paint a complete picture of child health.

Track developmental milestones, using either CDC or WHO z-scores to track child growth. Comprehensive, and always up-to-date electronic patient records include JACCOL, vaccination history and even prenatal background.

Practice Marketing

Make it easy for new patients to find you! Team up with Avily, our partner in digital marketing, to take your medical practice online with a mobile-friendly website and entice new patients to your practice. The future is digital, after all and who doesn't want to grow their patient base?

AVILY

Online Booking

Get the antidote for no-shows and stop the endless back and forth communication with appointment bookings. Built right into CGM MEDEDI, RecoMed integrates with your practice diary to offer online bookings to your patients at a date and time that suits them.

RecoMed
Powering the future of healthcare bookings

Patient Onboarding

Take advantage of Medme's POPIA ready patient onboarding and put an end to wasted time double capturing details. Going paperless is a win for all: less time needed by your practice team, better record keeping and more space in your practice.

Medme

Video Consults

CLICKDOC ensures that no patient goes without care offering remote access to quality medical healthcare. Manage your virtual diary in the MEDEDI calendar, and share your screen or documents with one click. All video consultations are POPIA ready and HIPAA compliant for data security peace of mind.

CLICKDOC

Electronic Health Records

Designed by a doctor, Practice Perfect was conceived to support your day-to-day practice workflow. More than just a digital version of a patient's paper chart, EHR's digitally capture the why, what and how of clinical care. Works on iPad and Android devices.

Practice PERFECT

Advanced e-Scripts

Create and sign prescriptions on the fly with ICANSRIPT, the most advanced e-scripting platform in South Africa. Digitally sign and send prescriptions to our pharmacy network and have the prescribed medicine delivered straight to your patients' door.

ICANSRIPT

Medical Billing

Cut the time your practice spends on medical billing and claims! With our fully-integrated MEDEDI toolkit, ICD-10 codes can be processed and sent with medical aid claims in real-time. Let MEDEDI take the hassle out of medical aid claims, and free up time for your practice manager to focus on your patients and your business.

CGM MEDEDI

Easy Payments

Simple payments and collections for your practice just make sense cents! Let us improve your cash flow by automating your billing and offering your patients many ways to pay - from SnapScan, QR code, Maestro to credit card and more. MEDEDI gives you the tools to take control of your business and continue to build a thriving medical practice.
